2014 EUVL Workshop Survey

- When do you expect to see the insertion of EUVL in HVM and at which node?
- What do you see as top three challenges for insertion of EUVL in HVM?
- What projects can be conducted at universities, national labs and at consortia level in the Pre-competitive arena to help improve readiness of EUVL?
- What are the top three things you learned the workshop?
- Which topics / speakers you will like to hear from in the 2015 EUVL Workshop?

Announcements

- **Workshop Proceedings**
- PDF version of presentations will be published in proceedings during week of July 7th.
- If you have not submitted a PDF version of your presentation, we will make a PDF for you it.
