

2019 Source Workshop- Lifetime Achievement Award Dr. Stephen F. Horne

- Energetiq's metrology source has been a key enabler of EUVL since early 2000.
- As EUVL moves into HVM, we have several HVM metrology tools that are using Energetiq's source
- Steve has been the technical lead at Energetiq, always working on improving the source
- Steve has also been the "Technical Face" of Energetiq in the source workshop and other conferences for a long time

Lifetime Achievement Award

To

Dr. Stephen F Horne

**For his Contributions to Metrology Source Development for
Applications in EUV Lithography and Beyond**
