

2026 EUVL & Source Workshop

Venue, Travel and Lodging

VENUE

The conference will be held in the Pauley Ballroom (click [here](#) for photo gallery) located in the Martin Luther King Jr. Student Union Building (also known as the **MLK Building**, in short. Click [here](#) for the exterior of MLK Building)) of University of California Berkeley. The MLK building is located on the south side of the UC Berkeley campus, at **2475 Bancroft Way, Berkeley, CA 94720**. It is situated at the intersection of Bancroft Way and Telegraph Avenue, right on Sproul Plaza (click [here](#) for the intersection on Google Maps).

Accessibility and Entrances

The MLK Building is designed with multiple accessible entry points:

- Upper Sproul Plaza: Use the ramp at the second-floor entrance.
- Lower Sproul Plaza: Accessible entrances are located on the first floor.
- * Basement Level: A usable entrance is available directly from the MLK Student Union Garage.
- Internal Access: The building features elevators connecting all floors, including the SERC Space (SERC = Student Environmental Resource Center) in the basement.

Parking

The MLK Building is accessible via the Downtown Berkeley BART station (about a 10-minute walk) or by parking in the Lower Sproul Garage (\$3.50/hour). * *There will also be around 20 pre-paid parking spaces in the basement of the MLK building (MLK Student Union Garage) which will be available on a first-come first-served basis.*

There are several parking garages nearby:

- **MLK Student Union Garage***
 - Underneath the building

- Accessed via Bancroft Way; open to the public for a fee based on length of stay.

TRAVEL

We highly encourage visitors to use public transportation.

Public Transportation and Directions

Public transit is often the **most recommended way** to reach the MLK Building due to limited campus parking. There are three public transits:

- **BART (train):** Take any Richmond-bound train to the Downtown Berkeley Station. The MLK Building is approximately 0.5 miles from the station, about a 10–15 minute walk.
- **AC Transit (Local Bus):** Several bus lines serve the area, including lines 7, 8, 40, 51, and 65. Line 51B runs between Downtown Berkeley BART and Rockridge BART, stopping near the south side of campus
- **Bear Transit (Campus Shuttle):** UC Berkeley's Perimeter (P) and Reverse Perimeter (R) shuttle loops run every half hour from the Downtown Berkeley BART station and stop near the building. These shuttles are open to the public for a \$1 cash fare.

Uber/Lyft Rides

To get to the MLK Student Union (MLK Building) at UC Berkeley using Uber, set your destination in the app to "MLK Student Union" or the intersection of Bancroft Way and Telegraph Ave. You should set your destination to **2475 Bancroft Way, Berkeley, CA.**

Destination: Input "MLK Student Union" or "MLK Building UC Berkeley".

Drop-off Location: The best drop-off point is on Bancroft Way near Telegraph Avenue, as the building is in the heart of campus.

App Usage: Request the ride directly through the app, which will provide, price, and driver information.

Drop-off and Pick-up

UC Berkeley has designated Transportation Network Company (TNC) zones for rideshare services like Uber and Lyft to improve safety and traffic flow.

- **Closest Zone:** The most convenient drop-off point for the MLK building is the Sproul Plaza (east of Telegraph) zone. The building itself is located right on Sproul Plaza at the intersection of Bancroft Way and Telegraph Avenue.

- **Booking Tip:** When requesting your ride, pinpoint your exact drop-off location in the app to ensure your driver doesn't waste time circling campus or the surrounding streets.
- **Alternative Drop-off:** For specific events or if standard zones are congested, some users utilize the intersection of Bancroft Ave/College Ave.

Driving

- **From I-80 (San Francisco/Sacramento):** Exit at University Avenue and head east for approximately two miles. Turn right onto Oxford Street, then left onto Channing Way. Follow Channing Way to the Piedmont Avenue roundabout (Channing Circle) to reach the south side of campus.
- **From Highway 24 (East Bay/Walnut Creek):** Exit at Telegraph Avenue and head north for about 1.8 miles. Turn right on Channing Way, then left at the Piedmont Avenue roundabout.
- **From I-580/I-880 (Oakland/South Bay):** Take Highway 24 East and exit at Martin Luther King Jr. Way. Turn right on 52nd Street, then left onto Telegraph Avenue for two miles before turning right onto Channing Way.
